Special Acceptance of Small Entity Payments for the following patents were submitted in the small entity amount, but USPTO records indicate that the patentee is a large entity. Since a deposit account authorization to charge any deficiency was provided, payment was applied in the large entity amount and the additional amount charged to the deposit account appears in parenthesis.
(If payment should be applied in the small entity amount, a refund request under 37 CFR 1.28(a) including a written assertion of entitlement to small entity status under 37 CFR 1.27(c) must be filed within three months of the payment receipt date.)
